

Lugbara back.psd

3-3.07 million **Lugbara** live in northwest Uganda and southeast Democratic Republic of the Congo. Poor roads, ethnic tensions and war have isolated the Lugbara. They believe in a creator god and ancestral spirits who bless or curse the living and act as intermediaries between the living and their god. Some also adhere to Islam. Pray that the Christian workers will have access to the Lugbara of Uganda and the Democratic Republic of the Congo so that many will hear the Good News of Jesus Christ.
