

Tooro back.psd

The **Tooro** live near the southern shores of Lake Albert in Uganda. With limited exposure to Christianity, the Tooro have only incorporated it into their traditional beliefs without any life-changing result. Their beliefs revolve around a distant creator god, ancestral spirits, and curses and powers of evil spirits. Islam has also begun claiming converts in recent years. Ask God to impact and change their lives because of an acceptance and a clear understanding of the Gospel.
